DIVISION SELECTION

Division membership is a benefit of ASPET membership and there is no additional charge to belong to a division. It is highly recommended that you join a division so that you may take full advantage of Society participation. Joining a division allows you to participate in creating the scientific program for the annual meeting, network with people in your field at mixers and divisional programs, and receive special notices and newsletters about items and activities of interest in your field. Be sure to pick a division!

Indicate primary (1) and as many secondary (X) divisions to which you wish to belong:

- Division for Behavioral Pharmacology
- Division for Cardiovascular Pharmacology
- Division for Drug Discovery & Development
- Division of Drug Metabolism
- Division for Integrative System, Translational & Clinical Pharmacology
- Division for Molecular Pharmacology
- Division for Neuropharmacology
- Division for Pharmacology Education
- Division for Toxicology

MEMBERSHIP CATEGORIES

**Regular Members**

Any qualified investigator who has conducted and published a meritorious original investigation in pharmacology shall be eligible for membership in the Society. An individual who holds an earned doctoral degree (Ph.D., M.D., or equivalent) is considered a qualified investigator. Exceptions may be made for someone who does not meet the degree requirement but who has made major original research contributions to pharmacology. **Documentation to support application:** *Curriculum Vitae* including a list of your publications with biographic references.

**Postdoctoral Members**

Any qualified person who has received their Ph.D. or equivalent degree in pharmacology or a related field within the past five years is eligible for Postdoctoral membership. Postdoctoral members will receive the same benefits as Regular members, including the right to vote in ASPET elections. Individuals may remain in the Postdoctoral Membership category for a maximum of five (5) years from the date of receipt of their PhD (or equivalent) degree after which time they must upgrade to Regular Membership. **Please note that the same membership criteria apply for Postdoctoral Members as for Regular Members, including having published a meritorious original investigation in pharmacology.**

**Affiliate Members**

Any qualified person who is engaged in the study of problems in pharmacology but does not meet the requirements for Regular Membership may be eligible for Affiliate Membership, which shall be non-voting. Affiliate members may later be proposed for Regular Membership, upon meeting the requirements. Affiliate Members include representatives in the following careers: faculty members who have made their contribution in teaching; productive research team members who have not published a meritorious original publication; administrators in government, industry, universities, or other organizations who do not have sufficient independent research. Applicants for Affiliate membership will no longer need to be sponsored by an ASPET member. **Documentation to support application:** *Curriculum Vitae* including a list of your publications with biographic references.

**Graduate Student Members**

Persons who are enrolled in graduate or professional degree programs, and who have an interest in pharmacology, are eligible for Student membership, which shall be non-voting. Upon completion of their research doctoral degree, student members must upgrade to Postdoctoral Membership. **Applicants for Student membership must be sponsored by one (1) Regular, Postdoctoral, Affiliate, Retired ASPET member, or by their mentor or department chair.**

**Undergraduate Student Members**

Persons who are enrolled in undergraduate degree programs and who have an interest in pharmacology, are eligible for Undergraduate Student membership, which shall be non-voting. **Applicants for Undergraduate Student membership must be sponsored by one (1) Regular, Postdoctoral, Affiliate, Retired member, or by their department chair or ASPET SURF Program Director.**
