

April 4 – 7 • San Diego, California

ASPET 2020 Annual Meeting

at Experimental Biology

Academic/Institutional Sponsorship Opportunities

Partner with ASPET to increase your visibility among life scientists and students who are directly interested in your graduate program.

Gain maximum exposure for your program while showing your support for pharmacology and ASPET!

Dear Academic/Institutional Partner,

The American Society for Pharmacology and Experimental Therapeutics is busy planning our next annual meeting, taking place at Experimental Biology 2020 in San Diego, CA. Experimental Biology (EB) is a multi-disciplinary scientific meeting composed of five societies and more than 12,000 attendees. We invite you to be a part of this spectacular meeting.

ASPET is pleased to announce several partnership opportunities at our annual meeting at EB 2020. EB 2020 represents an ideal setting for academic institutions to advertise their graduate programs to students directly interested in pharmacology and the biomedical sciences.

Become an Academic/Institutional Partner and your graduate program will get the following exciting benefits:

- Logo on the sponsors page of the annual meeting website
- Listing in the June 2020 issue of *The Pharmacologist*
- Listing in the ASPET program book
- Opportunity to display copies of one 8 ½" x 11" promotional leaflet on the ASPET Academic/Institutional Partners table and the resource table at the Undergraduate Luncheon
- Inclusion in an email sent to all ASPET undergraduate student members highlighting the Academic/Institutional Supporters and Partners

We will once again offer expanded partnership opportunities that include advertising in the 2020 edition of *Explore Pharmacology* - a booklet that provides a broad overview of the discipline of pharmacology and is distributed to over 1,000 undergraduate students annually. Many graduate programs in North America regularly advertise in this booklet. Take this opportunity to advertise in the booklet, enhance your partnership with ASPET, and save money while gaining the most exposure for your program through ASPET.

Also this year - add a recruitment table to your partnership package! For just \$175, your program can set up a recruitment table at the ASPET student and postdoc poster competition taking place on Sunday, April 5. The poster competition is a great opportunity to speak with undergraduate and graduate students directly about your programs.

Please take the time to look through our different partnership levels and explore the benefits. We are open to tailoring a special partnership package to meet your needs, so please feel free to contact me at sthompson@aspet.org or (301) 634-7069 with any questions or special requests.

We look forward to partnering with you.

Suzie Thompson
Director of Marketing
American Society for Pharmacology and Experimental Therapeutics

Academic/Institutional Partnership Opportunities

Partnership Level	Cost	Benefits
ASPET Annual Meeting Supporter	\$500	Meeting Supporter Package includes: <ul style="list-style-type: none"> • Logo on the sponsors page of the annual meeting website • Listing in the June 2020 issue of <i>The Pharmacologist</i> • Listing in the ASPET program at a glance booklet • Opportunity to display copies of one 8 ½" x 11" promotional leaflet on the ASPET Academic/Institutional Partners table and the resource table at the Undergraduate Luncheon • Inclusion in an email sent to all ASPET Undergraduate student members highlighting the Academic/Institutional Supporters and Partners
Academic/Institutional Bronze Partner <i>Bronze Partner package is valued at \$1150.
