Greetings!

Welcome to the ASPET 2024 Annual Meeting experience! We’re planning for an engaging gathering in the vibrant DC metro area at the Hyatt Regency Crystal City Hotel. We expect more than 1,000 pharmacology professionals from a diverse range of workplaces, fields and career stages to convene for our meeting. ASPET 2024 promises to be the premier platform for discovering cutting-edge, innovative science in the realm of pharmacology and experimental therapeutics.

In 2023, we celebrated a significant milestone as we hosted the first stand-alone ASPET Annual Meeting in decades, departing from our long-standing tradition of co-hosting with other scientific societies. This momentous occasion showcased the brightest minds in pharmacology and experimental therapeutics, underlining our community’s extraordinary potential. Our success exceeded all expectations, leaving us with a sense of pride and accomplishment. We are moving confidently into the future and taking the ASPET Annual Meeting to new heights.

We invite your organization to become a vital part of this exceptional experience for the pharmacology community. We are excited about the possibility of partnering with you to create opportunities that help us build a stronger home for pharmacology. Join us to the make ASPET 2024 Annual Meeting a more memorable and successful event.

Sincerely,

Dave Jackson, MBA, CAE
ASPET Executive Officer
