The Pentagon 9/11 Memorial was created to remember and honor those family members and friends who are no longer with us because of the events of September 11th, 2001 at the Pentagon.

Elegant and simple, the Pentagon Memorial captures that moment in time at 9:37 a.m. when 184 lives became intertwined for eternity. Each victim’s age and location at the time of the attack have been permanently inscribed into the Memorial by the unique placement and direction of each of the 184 Memorial Units.
