**Required Field**
MEMBERSHIP CATEGORIES

Regular Members

Any qualified investigator who has conducted and published a meritorious original investigation in pharmacology shall be eligible for membership in the Society. An individual who holds an earned doctoral degree (Ph.D., M.D., or equivalent) is considered a qualified investigator. Exceptions may be made for someone who does not meet the degree requirement but who has made major original research contributions to pharmacology.

Postdoctoral Members

Any qualified person who has received their Ph.D. or equivalent degree in pharmacology or a related field within the past five years is eligible for Postdoctoral membership. Postdoctoral members will receive the same benefits as Regular members, including the right to vote in ASPET elections. Individuals may remain in the Postdoctoral Membership category for a maximum of five (5) years from the date of receipt of their PhD (or equivalent) degree after which time they will be upgraded to Regular Membership.

Affiliate Members

Any qualified person who is engaged in the study of problems in pharmacology but does not meet the requirements for Regular Membership may be eligible for Affiliate Membership. Affiliate members may later be proposed for Regular Membership, upon meeting the requirements. Affiliate Members include representatives in the following careers: faculty members who have made their contribution in teaching; productive research team members who have not published a meritorious original publication, administrators in government, industry, universities, or other organizations who do not have sufficient independent research.

Graduate Student Members

1. Graduate students: Persons who are enrolled in graduate or professional degree programs, and who have an interest in pharmacology. Upon completion of their research degree requirements, graduate students will be upgraded to another membership category such as Postdoctoral, Regular, or Affiliate member.

OR

2. Post-baccalaureate: Persons who are less than 3 years past receipt of their bachelor’s degree and engaged in post-baccalaureate training or professional development, and who have an interest in pharmacology. Post-baccalaureate members may retain this status for up to 3 years or until they enroll in a graduate or professional degree program. Post-baccalaureate members who no longer meet these eligibility requirements must notify ASPET staff they have enrolled in a degree program or move to another membership category.

Students enrolled in graduate or professional degree programs shall be voting members; Post-baccalaureate shall be non-voting.

Undergraduate Student Members

Persons who are enrolled in undergraduate degree programs and who have an interest in pharmacology are eligible for Undergraduate Student membership, which shall be non-voting.
