

The **Division of Cancer Pharmacology** (DCP) cordially invites you to join us at the **ASPET** annual meeting at **EB2017**. Please mark your calendars and prepare to attend these DCP-sponsored sessions. Our division's mission is to become the leading community for cancer pharmacologists to present their research on topics related to both basic and translational aspects of cancer therapeutics. We hope you enjoy the programs we have prepared for you this time at EB 2017 and look forward to your participation.

Hope to see you soon!

Regards,

Your DCP Executive Committee

Susan P.C. Cole, PhD, FRSC [Chair]

Mary-Ann Bjornsti, PhD [Chair-Elect]

R. Kip Guy, PhD [Secretary/Treasurer]

Jack C. Yalowich, PhD [Secretary/Treasurer-Elect]

DIVISION FOR CANCER PHARMACOLOGY PROGRAM-AT-A-GLANCE

Challenges and Opportunities for Childhood Cancer Drug Development

Chair: Peter Houghton

Date: Sunday April 23 2017

Time: 3:00 pm - 5:30 pm

Venue: W471A

3-D Biology in Cancer Pharmacology - Is Flat Biology Dead?

Chair: Mary-Ann Bjornsti

Date: Monday April 24 2017

Time: 9:30 am - 12:00 pm

Venue: W474B

Emerging Technologies for Selectively Modulating the Tumor Immune Contexture

(Co-sponsored with DDD)

Chairs: Shiladlitya Sengupta and Ashish A. Kulkarni

Date: Tuesday April 25 2017

Time: 9:30 am - 12:00 pm

Venue: W474A

Quantitative Systems Pharmacology: Application to Cancer Drug Development and Personalized/Precision Medicine

(Sponsored by TCP, co-sponsored by DCP and other divisions)

Chairs: Jessie L.S. Au and Jerry S.H. Lee

Date: Tuesday April 25 2017

Time: 9:30 am - 12:00 pm

Venue: W471A

Stem Cells in Cancer

Chairs: Kip Guy and Shannon McKinney-Freeman

Date: Wednesday April 26 2017

Time: 3:00 pm - 5:30 pm

Venue: W474A

Young Investigator's Symposium

Abstract-based presentations selected from topic codes 3000-3003

Chairs: Susan Cole and Jack Yalowich

Date: Tuesday April 25 2017

Time: 3:00 pm - 5:30 pm

Venue: W474A
