

Get Your Graduate Program Noticed at the ASPET Annual Meeting at Experimental Biology 2014 Sponsor a Student Event!

San Diego, CA
April 26-30, 2014

Student/Postdoc Best Abstract Poster Competition

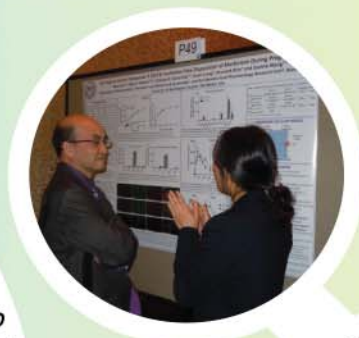

Sponsorship: \$500

The poster competition is a great time for students and post-docs to present their work and to interact with ASPET members to create networking opportunities. The competition also features food, drinks and a lively atmosphere.

Student/Postdoc Mixer

Sponsorship: \$500

This event provides students and postdocs an opportunity to let their hair down and have fun. Open to all students and post-docs attending the EB meeting (not limited to just ASPET members), the mixer features a dj, music, lite fare, and drinks.

Benefits of Sponsorship:

By sponsoring one of these important student events, you can increase visibility of your graduate program to students and members directly interested in your program. Gain maximum exposure for your program, while showing your support for pharmacology and students!

- Signage at the event*
