Explore Pharmacology Careers with ASPET

Co-Sponsored by ASPET Young Scientists Committee, ASPET Mentoring and Career Development Committee, and the Integrative Neuroscience Laboratory at the University of Illinois Chicago

Date:

Friday, April 21, 2017

Time:

3:30-5:30 pm

Location:

White Oak A & B, Student Center East
750 South Halsted Street, Chicago, IL

Undergraduates and high school students are invited to explore the discipline of pharmacology and its exciting career options. Speakers representing diverse careers in pharmacology will share their pathways through the profession. There will be time for questions and networking. Speakers include:

Somhrita Dutta, PhD, Director, Healthcare Practice at The Beacon Group

Ashley Guillory, PhD, Research Fellow, Department of Surgery-Burns, The University of Texas Medical Branch, Shriners Hospitals for Children, Galveston

Pamela Hornby, PhD, Senior Scientific Director and Fellow, Cardiovascular & Metabolic Disease Therapeutics, Janssen Pharmaceutical Companies of Johnson & Johnson

Carmine Leggett, PhD, Toxicologist at the Food and Drug Administration Center for Tobacco Products

Joshua Lorenz-Guertin, Graduate Student, Department of Molecular Pharmacology, University of Pittsburgh

Lynn Wecker, PhD, Distinguished University Professor, Department of Psychiatry & Behavioral Neurosciences, University of South Florida Morsani College of Medicine

Light refreshments will be available.
